

MAISON BONJOUR

CHARDONNAY
IGP D'OC FRANCE

The wine consists of carefully selected Chardonnay grapes grown in the IGP Pays d'Oc wine growing area located in the sunny southern parts of France. The warm climate in the area contributes to a high ripeness in the grapes, which gives a fruit-driven wine with high flavor concentration.

Maison Bonjour Chardonnay is a classic, grape-type Chardonnay with a taste of tropical fruits, apples and citrus.

Fits the fruitiness and elegance of the wine, which goes well with baked salmon with the seasoned roasted root fruits or why not for a plump pumpkin soup with freshly baked bread and a tasty cheese?

Suitable for lamb, beef, pork
